If you did something wrong
I thought I would get a third nostril.
It's fine. I'm just going to ignore it...
I can't ignore your face. Make sure to wash it well....
Regardless, I have bad luck...
Again with that.
I think it's infecting me because you keep on saying that...
Infecting.... Is it a disease...
Anyways, Lala helped you.

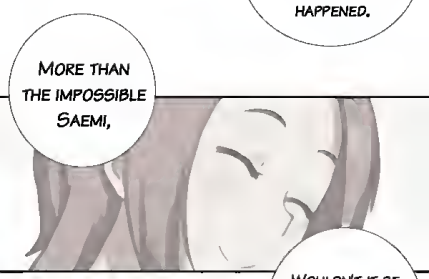
Why don't you just give up on her and move on to Lala?
This kid still hasn't come to his senses...

Ah...no... Listen to me..
.....

There's no one who can talk to you properly.
However, Lala still is able to greet you like nothing's happened.



More than the impossible Saemi,

Wouldn't it be better with Lala with that 0.0000001% probability?
I don't like Lala!
Why?
Think about it again~

GOMANGA.CO
